Syracuse, NY

The Interscholastic Equestrian Association (IEA) is a 501(c)3 non-profit equestrian organization serving more than 13,500 members across the United States. The mission of the IEA is to introduce students in private and public middle and secondary schools (primarily ages 11-19) to equestrian sports. The IEA provides student riders with organized competitive opportunities and horse ownership is not required. Horses and equipment are provided to each rider at every event by the host team using a draw-based format. The IEA was founded in 2002 and continues to increase with riders in 46 states. Proceeds from both auctions will benefit the IEA Benevolent Fund – helping to financially support coaches and riders in need. For more information, visit www.rideiea.org.
