Tack was in good condition with regard to safety and cleanliness							
Horses at the ring in a timely manner							
Adequate number of horse handlers							
Adequate number of warm up riders							
Water was available for horses							

**Open-ended Questions:**

Please list any requests for re-rides or violations that were brought to your attention? Please include any pertinent details & decisions.

Did you have any requests to move a rider to an alternate? Please describe in detail (rider size inappropriate to mount//horse inappropriate to class//other).

Was any rider evaluated by the steward(s)? If so, were any evaluated riders re-assigned to a different class? (Please explain fully and provide rider name, back number, and team.)

Were there any injuries to a rider, coach, horse, spectator, or any other attendee or participant? (Please ask Show Manager to submit an IEA Incident Report to substantiate the details of any reported injury.)

Were there any additional incidents or controversies that required your attention or input that you would like to report to the IEA? (Please describe.)

Were there any particular commendations that you would like to report to the IEA? (Please describe.)

Does this show host need a show supervisor next time? What steps could they take to make their show better next time?
