

Dressage Split Guidelines and National Allotments 2021-2022

Section 1: Region Information

- Dressage is considered as a single, national Zone, within the IEA.
- The Dressage Zone is divided into twelve Regions.
- The Regions are made up of 3-6 teams initially assigned.
- Regions that have less than 3 active teams or less than 5% of the total Dressage population as of December 1, 2021 will be combined with the nearest region.
- New teams in inactive areas will be placed with the nearest region.
- Teams are expected to compete within their region, and all shows must hold priority entry to their own region.
- If there is excessive growth in a region or new area, teams may be split into sections for priority entry into regular season competition.

Section 2: Post Season Format

- The regular season will begin on 8/1/2021 and end no later than two weeks before each regional final.
- Individuals must earn 15 points during the regular season to qualify for Dressage Region Finals.
- Teams must earn 20 points during the regular season to qualify for Dressage Region Finals.
- All qualified teams/riders from each region will attend their respective Regional Final. These Region Finals must be completed at least fifteen days (15) prior to Dressage National Finals.
- The number of teams and individual riders per class at national finals will be equal to the number of active regions at the close of membership
- Each active Region will get 1 slot to national finals (1 for individual /1 for team)
- **Rule 8301** Region Finals must be considered a community effort. All teams and individual riders who qualify to compete are expected to participate in the organization and/or running of the Regional Final in some way: including but not limited to providing a facility, schooling riders, show staff, volunteers and horses.

Section 3: Post Season Dates

Regional Finals- Dates and Locations TBA

National Finals- 4/28/22-5/1/22

Section 4: Fundraising Information

- Each Region/Joint Region will be responsible for fundraising & support of their Finals. Region chairs will work together with the Zone Administrator to plan & execute Finals as a group effort.
- All Regional Finals are expected to cover their own costs and break even financially
- All funds raised in each Region must be submitted with the regional final's entry by the closing date. Riders and Teams entering Regional finals will be requested to secure class sponsorships/program ads to be noted in the program at no more than \$25 per ride.
- Teams are also encouraged to participate in the end of season T-shirt fundraiser
