D4601 Team Competition

At all shows, including post-season, for all placings, team ties shall be broken in the following manner:

1. Total number of first (1st) place finishes, then by total number of second (2nd) place finishes, then by total number of third (3rd) place finishes, then by the total number of fourth (4th) place finishes, then by total number fifth (5th) place finishes.
2. If a tie still exists, then it shall be broken by the highest combined total of team points from performance classes (dressage test classes).
3. If a tie still exists, then it will be broken by using the highest final dressage test score earned by a point rider representing the team in question. If a tie still cannot be determined, then it will be decided by the second highest final dressage test score earned by a point rider representing the team in question, then by the third highest final dressage test score.
4. Before final results are announced or posted, the show steward must be consulted to verify proper procedure was used to break the tie.
