

Team Application

Thank you for inquiring about the IEA TEAM APPLICATION!

All teams that would like to join after October 1st must first speak with Jennifer Eaton, Membership Marketing Coordinator, to discuss the remaining competition opportunities in their area. This will ensure that all incoming teams are guaranteed to have a full and successful competition season.

Please send an email to Jenn@rideiea.org and include your name, discipline, location and team name.

Please be patient if you are contacting us on a weekend as we are busy at IEA competitions. We will make every effort to return your communication as soon as possible.

Thank you,

Jennifer Eaton
Membership Marketing Coordinator
