**4510.1** At all shows, including Zone and Regional Finals, for all placings, team ties shall be broken first by the total number of first (1st) place finishes, then by total number of second (2nd) place finishes, then by total number of third (3rd) place finishes, then by total number of fourth (4th) place finishes, then by total number of fifth (5th) place finishes. If a tie still exists, then it shall be broken by the highest combined total of points from performance classes (hunt seat over fences, dressage test, or western reining). Designated team point rider scores are the only scores to be considered when breaking team placement ties.

**4510.2** If the tie still cannot be determined the show steward in consultation with the judge shall decide upon a ride-off, question from the judge, or a coin toss to determine the tie-break. Any one of these three methods selected shall determine both title and awards at all shows except National Finals. This selected method shall determine the distribution of awards at Nationals, but National Titles shall be shared.

**7601.5** When two judges are used for a Western competition, a tie break judge for each class must be determined before the start of competition.
