

Member Application

Thank you for inquiring about an IEA MEMBER APPLICATION!

Our new applications for the 2023-2024 competition season will be available in June.

At this point in our year we have limited options for new memberships for the current 2022-2023 season.

If you need assistance in accessing a membership application for this current season, please send an email to Jenn@rideiea.org and include your name, discipline, location and team name.

Please be patient if you are contacting us on a weekend as we are busy at IEA competitions. We will make every effort to return your communication as soon as possible.

Thank you,

Jennifer Eaton
Membership Marketing Coordinator
