In accordance with IEA Rule 8501.4, IEA reserves the right to make changes to the Regional, Zone or National Finals schedule and/or procedures of competition provided any changes to the standard format are approved by the IEA Executive Committee.

ZONE FUNDRAISING PROPOSAL:

In order to cover the cost of bi-regional finals and reach our fundraising goal, it is suggested that each region create a fundraising plan to cover the cost of three classes (\$200/class - \$600 per region).

All teams that qualify for zone finals are requested to purchase a program ad in the Zone Finals program or to sell one ad of an equivalent amount.

Regional Finals

Each bi-region will be responsible for fundraising and supporting their own regional finals shows. All Bi-region final shows are expected to cover their own costs and break even financially - profits will be rolled into the Zone Finals budget. **Approved fundraisers at regular or region shows may be basket raffles, VIP table sales, t-shirts and cash donations.**

Zone Finals

All funds generated from bi-region finals shows will go towards Zone Finals expenses and/or the zone 5 scholarship fund.

Class Sponsorships will be sold for Zone Finals.

G8301 Regional Finals must be considered a community effort. All teams and individual riders who qualify to compete are expected to participate in the organization and/or running of the Regional Final in some way; including but not limited to providing a facility, schooling riders, show staff, volunteers, and horses.
