Whether you jump fences, slide in the dirt or turn in circles – you belong here.

IEA offer opportunities to student athletes in grades 4-12 to ride Hunt Seat, Western and Dressage in a draw-based (catch-ride) team competition format similar to collegiate riding. Horses are provided by host teams, local barns and colleges.

Each season, IEA awards more than \$1.5 million in senior cash and collegiate scholarships.

With 1,500 teams across the nation and 15,000 youth and adult riders and coaches, there is definitely a spot for you here.

From Walk-trot to Varsity Open...IEA meets you where you are.

Join us for IEA's 25th Anniversary Season!

Membership is open now. Shows begin August 1st.

HUNT SEAT - Equitation Over Fences & Flat

WESTERN - Horsemanship, Reining & Ranch Riding

DRESSAGE - Test & Dressage Seat Equitation
