Note: If you have completed a training for SafeSport in the past, you may be already in their system.

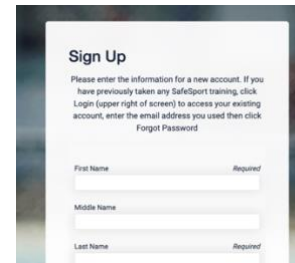

Complete the SIGNUP form with the email you would have used for the other organization.

If you are in the system, they will tell you that your username is already in use and will prompt you to *reset your password*. Once reset, you will be able to access the training through the MY COURSES option on your SafeSport Dashboard.

Depending on how many years you have been taking SafeSport Training, you may be offered the SAFESPORT CORE TRAINED course or one of two CORE REFRESHER courses.

If you belong to another organization that offers the SAFESPORT TRAINED CORE course and the two CORE REFRESHER courses, we recommend you complete the training through them.
