

DSE WORKOUT PATTERNS 2024

For use in addition to required rail work at the discretion of the judge and direction from show management

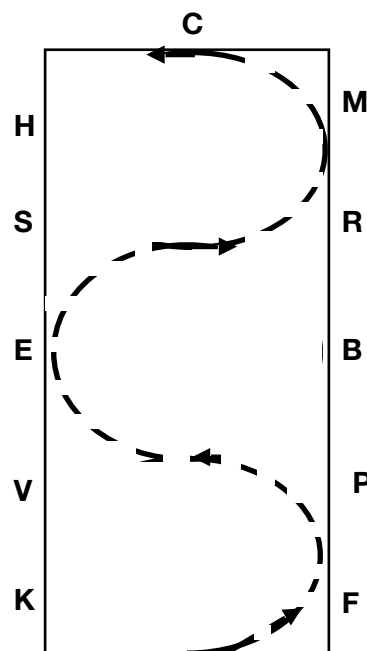

All tests are complete at C. All riders should down transition at E or B and exit arena as directed

OPEN & INTERMEDIATE:

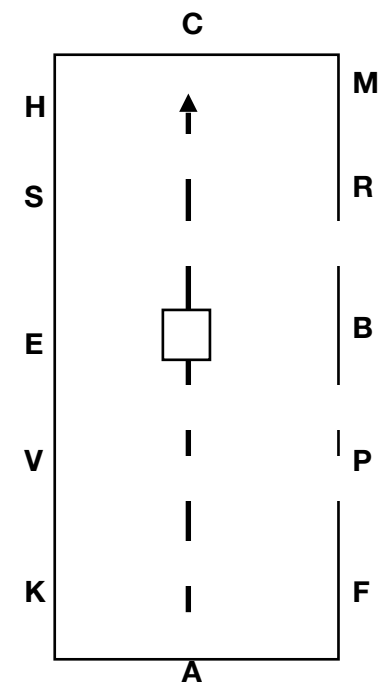

On centerline at working trot (rising or sitting), pick up lead directed by judge at X

NOVICE:

Three loop serpentine "width of arena" at working trot rising, showing a change of diagonal upon crossing centerline.
(If small arena is used, show two loops only)

BEGINNER:

On Centerline at working trot rising, halt at X. Continue working trot rising.
All transitions may be made through the walk
