D4602.1 Tied final scores in all dressage test classes during regular and post-season competition will be determined using the following steps:

1. Compare the total combined score of the four Collective Marks for each rider.
2. If the scores remain tied, the judge at A shall break the tie.

D4602.5 Before final results are announced or posted, the show steward must be consulted to verify proper procedure is used to break the tie

D4602.6 Dressage Test score reporting sheets must be posted before class placings are announced. Any ties that are broken must be listed in the comment section.
